Students and Seniors Sharing Stories

In so many ways, technology has improved our lives. But for many of us, technology has become a barrier as well. What can be done to ensure that technology improves the lives of everyone? That was the question posed to a group of 15 students from Gateway High School and a group of 15 seniors from San Francisco Senior Center. **[Read about their shared stories on the CTN blog.](#)**

Tying up October, Cyber Security Month

Each and every one of us needs to do our part to make sure that our online lives are kept safe and secure. That's what National Cybersecurity Awareness Month (NCSAM) — observed in October — is all about! [Read how CTN stays in check with Cybersecurity on the CTN blog.](#)

Save the Date: CyberLESS Monday is November 26th!

CYBERLESS MONDAY

Imagine life if you were
denied access to the internet.
How would you work,
communicate, shop, or find
the information you need?

Life without the internet is impossible in today's world. CTN wants to bring access and skills to use the internet to everyone -- CyberLESS Monday is November 26th -- **help CTN bring access to the individuals and families that fall into the divide!**
